*Volunteers may be moved to other tasks as needed.

EAU CLAIRE COUNTY

Farm Technology Days

Tuesday July 21 - Wednesday July 22 - Thursday July 23, 2020

Volunteers are needed to staff six food tents and four ice cream tents. If your non-profit organization would be interested in working at this Eau Claire County project and making some money for your organization read on.

- Food Stand workers must be at least 16 years old.
- The groups that work will be paid for their services. The amount each group receives will depend on the net profit from the food sales, the number of workers provided by each group and the number of hours those workers worked.
- Volunteers need to be able to stand, walk or work for 4 or more hours.
- All food tent volunteers will receive a volunteer t-shirt.
- Training will be provided and required for those who volunteer as cashiers, food prep and grillers.
- Additional opportunities will be available to volunteer for setup July 20th and teardown July 24th.

If you are interested or have additional questions, please contact:
