

Scooters Available at 2013 WFTD in Barron County

Home Town Mobility is renting mobility scooters for the 2013 Wisconsin Farm Technology Days in Barron County for people with disabilities. Their web site is: www.hometownmobilityia.com.

At their website, in the upper right hand corner there is a drop down box requesting an event. They have Farm Technology Days, Barron County listed. After selecting this event, the next drop down menus are Gate, select 'Autoselect' and date for rental at the show. This is followed by selecting to rent. Checkout follows. To insure a scooter is available, visitors are strongly encouraged to make rental arrangements before arriving at the show.
