Questions: Contact Amber at (715)781-3236

Admissions Committee - Provide assistance for show attendees with positioning of information booths and tents, set up admission headquarters, collect admission fees

Education Committee - Coordinates UW-Extension and partner agency theme tents and exhibits in and around tent city (i.e.; Applied Technology Center).

Family Living Committee - Coordinate educational and entertaining programs - including speakers, exhibits, demonstrations and displays, host the Family Living Tent.

Field Demonstrations Committee - Plan field harvest demonstrations; coordinate needs for seed and fertilizer to establish crops (for Tent City, parking, and fieldwork demonstrations), work cooperatively with host farmer, and coordinate transportation for show attendees to and from demonstration area.

Food Committee - Select groups to provide food and beverage at the show, select menus, operate and coordinate six food tents.

Grounds Committee - Provide services (fencing, culverts, unloading ramps, forklifts), coordinate garbage and refuse collection, provide shavings for the grounds, provide drinking water and toilet facilities.

Heritage Tractor Committee - Coordinates the Heritage Tractor display within Tent City, which includes finding tractor and equipment owners to volunteer their pieces.

Hospitality Committee - Distribute invitations and information to exhibitors, staff information booths; provide conveyances for handicapped accessibility at the show. Solicit cash and in-kind donations from sponsors.

Parking Committee - Provide volunteer force for directing traffic flow, parking and assistance with assigning an area for handicap, VIP and media parking. Committee is responsible for transporting attendees to and from Tent City via trams if needed.

Publicity & Promotion Committee - Develop and distribute promotional materials and media kits, write news releases, host media Press Day six weeks prior to the show, develop and manage all show communications including social media.

Sign Committee - Install and take down highway and tent city signs, provide storage space and maintenance of signs as needed.

Tent City Committee - Assist in layout of streets, avenues, food and educational tents. Supervision of Tent City, work with exhibitors during setup and removal, work with sign committee, assist with transportation needs during the show, coordinate two-way radio system.

Traffic/Safety Committee - Establish traffic pattern for incoming and outgoing visitors, provide security for the grounds, set up a command post, and work cooperatively with local police, fire and EMS personnel.

Utilities Committee - Work cooperatively with various utility companies (power, telephone), coordinate wiring according to Tent City layout.

Youth Committee - Work with FFA and 4-H members/leaders in setting up a soil judging program, host the Youth Tent, and conduct youth educational programs in the Youth Tent.

Other - I'm interested in volunteering during the 2018 Wisconsin Farm Technology Days Show in Wood County, but am not sure which area my assistance will be needed.
